

AEON
sculptural heating

THE
COLLECTION

THE COLLECTION

Fantasy meets function in this range of beautifully crafted and engineered radiators. Each design is a statement, a sculptural addition to contemporary interiors that also delivers outstanding performance.

INNOVATION

We are renowned for creating stylish, sleek & artistically stunning radiators and heating products, guaranteed to add a dash of flawless fashion to your space.

INSPIRATION

Our top-class team of designers have been inspired by a range of themes, from nature to architecture to art and beyond.

TECHNIQUE

Our products have been designed and developed using state-of-the-art production techniques, combining beauty with heating efficiency and durability.

WARRANTY

Our commitment to quality is backed by a 20-year warranty for the AEON Stainless Steel Collection & a 10-year warranty for the AEON Aluminium Collection.

We recommend the 3 Bar Safety Valve for all ELECTRIC ONLY (E) products. Dual Fuel is possible either by use of "T" piece and radiator valve or by use of ONE850 or ONE851 (4 way valve)

MODEL SHOWN: TAV1820 (Mild Steel)

The image above shows Tardis featuring the beautiful calligraphic signature of the Ottoman Sultan (Suleyman, the Magnificent) in a highly polished cracked gold. The signature shown is for illustrative purposes only. Tardis is a made to order with your very own image.

TARDIS

Blending artistry and function.

A truly bespoke radiator, top-class heating technology lies behind a glass front which can be printed with any high-quality picture of your choice. From a family portrait to a favourite view or a conceptual design, the possibilities are limitless – and the end result, glorious.

TRULY BESPOKE. THE POSSIBILITIES ARE ENDLESS

Add your own personal signature piece to any room with Tardis, exclusively Made to Order. Choose any image you desire; a family portrait, a photo montage of favourite memories, a scenic landscape, an abstract design of your own creation – anything is possible.

A glass finish vacuum seals your unique image behind a layer of shatterproof

glass, and all fixings can be discreetly located behind the radiator so as not to detract from your design.

We produce each Tardis with great care, offering you the flexibility of size and attention to detail which these signature home pieces deserve.

RENDE

Reach for the sky.

Reminiscent of the high-rise silhouettes of a New York skyline, the modulating cut-outs create the illusion of a rolling convex curve. Modern art meets up-to-the minute technology as this dramatic super-size radiator commands prime position in your space.

ECHOES OF TRANQUILLITY BRING A SENSE OF CALM TO THIS BEAUTIFUL RADIATOR

Much like the longitudinal textured pattern seen in woodgrain, the natural channels of Fluent meander continuously from one end to another. As the name suggests, Fluent is graceful and effortless in its pure and simple appearance.

Almost like a freehand line, rich strokes present themselves organically,

weaving their journey over the calm aluminium surface.

As with the treasure of the patten hidden inside a tree, the grooves are free-flowing and unbroken. Fluent can be mounted vertically or horizontally to complement the style of a room.

FLUENT TECHNICAL DRAWING

MOON CRATER DETAILS BRING THE GALACTIC THEME VIVIDLY TO LIFE IN ONE OF THE MOST UNUSUAL RADIATORS

Travel to the moon's surface with Planet Moon. A showstopper in the AEON Collection, Planet Moon allows you to take home your very own piece of outer space.

A direct replica of our moon's surface, we have perfected unique techniques to recreate the intricate rocky appearance you see in the night sky.

Craters from asteroid and comet impacts,

dead volcanoes and lava flows litter the moon's facade and are portrayed here as an accurate representation.

Constructed from a solid aluminium plate and milled using seven different blades, it takes more than 40 hours to meticulously craft each individual Planet Moon radiator. The detail can be felt in the texture of the radiator's surface.

PLANET MOON TECHNICAL DRAWING

Planet Moon in anodised textured grey is available from stock. Other finishes including anodised matt silver and gold are available by a bespoke special order only.

We recommend the 3 Bar Safety Valve for all ELECTRIC ONLY (E) products. Dual Fuel is possible either by use of "T" piece and radiator valve or by use of ONE850 or ONE851 (4 way valve)

MODEL SHOWN: SES186 (Anodised Gold)

BE MESMERISED BY THE ORGANIC DESERT PATTERNS CRAFTED INTO THE ALUMINIUM SURFACE

Sesriem reflects the patterns left behind by the natural motion of drifting sands across the desert.

Organic strokes replicate the unique, smooth ridges left after the storm has blown across the expanse of an otherwise undisturbed sandscape.

The understated metallic satin gold finish provides you with an elegant accessory for any interior. Escape to your place of peace and tranquillity with the calm and warming presence of Sesriem.

GAZE INTO THE EVER EXPANDING RIPPLES OF THIS SOFT DESIGN TO BE TRANSPORTED BEYOND THE STARS

Stargate captures that unique moment when a droplet hits a calm pool of water. The ripple effect travels outwards spreading to the very edges of this beautiful radiator.

It is easy to become drawn to Stargate with all of your senses, as you experience the curious urge to run your fingers

across its wonderfully crafted surface. Stargate is produced in aluminium using specialist technology to create a flawless finish.

- The Accessory is Compatible With This Radiator Or Bathroom Rail
 - * Accessory Requires 2M5X655+B Pack To Fit
 - (n) Accessory Requires Minimum Number Of Sections (N) To Fit
 - *(n) Accessory Requires Minimum Number Of Sections (N) and 2M5X655-B Pack To Fit
- 2M5X655+B is a fixing pack and is provided free of charge to specified radiators.

AEON clip-on accessories come in a range of designs, and in white and chrome finishes to give you excellent choices to accessorise a radiator.

FULLY ELECTRIC READY HEATED TOWEL RAIL INFORMATION

Does your space need heating but have no immediate access to an existing water-supply? AEON is proud to present our delicately designed electric towel rails - your quick and easy solution.

WHAT'S INCLUDED

Our electric towel rails are provided pre-filled with a heat transfer liquid and fitted with a compatible heating element - all that's required from your space is a standard electrical outlet.

THE PERFECT LOCATION

The AEON electric towel rail range is perfect for conservatories, listed buildings and flats, and can be fitted anywhere - from the kitchen to the bathroom.

THE 3 BAR SAFETY METHOD

At AEON, we implement a 3 Bar Safety Method for all our Electric Towel Rails.

A 3BV - 3 Bar valve is provided with every product in this range. Installing this valve will eliminate the risk of the towel rail bursting due to high pressure when heated.

The 3BV replaces the plug fitted on top of one of your towel rail's uprights. You should not remove this plug until the towel rail is fitted upright onto the wall, to avoid leakage. Fit the 3BV before heating your towel rail for the first time.

Upgrade a Fully Electric Ready Towel Rail with a heating element or wall plate.

UPGRADE ACCESSORIES:

Mobus Heating Element

BASIC HEAT LOSS CALCULATOR

The AEON Basic Heat Loss Calculator is provided as a guideline to estimate a suitable radiator output that will keep your room at an efficient yet comfortable temperature.

According to EN442, inlet water temperature of 75°C, outlet water temperature of 65°C, and room temperature of 20°C are assumed. All heat output figures shown in our publications are aligned to EN442.

The total heat output of the radiator you choose must compensate for the heat loss of your room, so that it will maintain the interior temperature at 20°C. The following calculation will give you an indication of your heat loss. If you have limited wall space or a very large room, you can install more than one radiator per room.

It is advisable to locate radiators near windows and doors, where heat loss is highest.

MEASURE YOUR LIVING ROOM IN METRES:

Height_m : Length_m : Depth_m

ie : H:2.64m, L:3.65m, D:4.94m

CALCULATE THE VOLUME OF THE ROOM:

H x L x D = cubic metres

ie : 2.64 x 3.65 x 4.94 = 47.60 cubic metres

MULTIPLY BY A COEFFICIENT FOR EACH DESIRED ROOM TEMPERATURE:

42: bedrooms (to achieve 18°C)

52: bathrooms, wc, living, study, dining etc (to achieve 21°C)

IN OUR EXAMPLE:

The living room (52): 47.60 x 52 = 2475 watts

The heat loss in the living room is 2475 watts, but we need to consider the following factors for a better result - we need to add 10% for every factor given here below:

- Outside walls: if it is a corner room, calculate two outside walls, which means (10% and 10%)
- Northern aspect room
- Ceiling height more than 2.7m
- Excessively large windows
- Single glaze
- Outside temperature assumed as -1°C, but if you would like to assume -2°C add 10%, -4°C add another 10%, -10°C add another 10%

IN OUR EXAMPLE, WE HAVE:

One outside wall, and one excessive window.

2475 x 1.1 x 1.1 = 2970 watts or 2554 kcal or 10144 btu - the final heat loss calculation.

QUALITY & PERFORMANCE

QUALITY AND TECHNOLOGY

AEON towel radiators are manufactured using the most technically advanced, modern equipment and tested to EN442, the harmonised European Standard.

Heat outputs in this brochure are certified by the independent testing authority – HKL Laboratories of Stuttgart in Germany.

CERTIFICATION

AEON radiators carry the BS kitemark, which certifies independent approval of heat output to BS EN442 and verifies production under BS ISO 9000 quality system.

ENERGY AND ENVIRONMENT

The efficient use of energy and materials is a constant objective of AEON and a highly qualified team of design and production engineers constantly reviews opportunities for improvement.

WATER TREATMENT

The manufacturer's warranty will only be valid if radiators are installed in accordance with BS 5449 section 5 'Commissioning'.

Please call for further AEON terms and conditions of sale.

THE AEON COLLECTION

All the products are manufactured out of 100% stainless steel* ensuring that the AEON Collection will keep their good looks for as long as the name suggests.

Our commitment to quality is backed by a 20-year warranty for the stainless steel collection and 10-year warranty for the aluminium collection.

Radiators are supplied with brackets, blanking plugs, airvents, fixing screws, rawl plugs, airvent key and 1/2" connections.

*Not applicable to Rende (mild steel core)

Heat output listed in this brochure as 75/65/20°C with Delta T of 50°C, means 75°C inlet water temperature, 65°C outlet water temperature and 20°C room temperature.

AEON stainless steel radiators can be used in both direct (open circuit) and indirect (closed circuit) applications. Open systems are supplied by special order only at a small additional cost. Closed systems are available from stock.

Radiators are finished in brushed satin chrome stainless steel with no coating or treatment.

AEON POLICY

Ownership and property rights of the designs in this publication belong to AEON and are registered in the UK and major trade mark and design registry offices worldwide.

The complete AEON range is not limited to the content of this brochure, additional products launched between publications will appear on our website: www.aeon.uk.com

DELIVERY AND RECEIPT OF YOUR GOODS

Do not book your plumber until goods have been delivered and checked.

DATE OF DELIVERY

For items in stock, a suitable delivery date should be arranged at time of order.

For out-of-stock items, an estimated delivery time will be stated on the invoice/receipt.

Please note that the estimated delivery date does not form part of the contract.

TIME OF DELIVERY

Standard service is any time between 9am and 5pm. Timed deliveries can be made but at an extra cost.

In some instances it may therefore be more convenient to have items delivered to a work address where someone is present to sign for them. In the unlikely event that goods do not arrive before 5pm (for standard service, or the relevant time for a timed delivery), please let us know the following or same day.

MEETING THE DELIVERY

Someone will need to be at the delivery address on the day of delivery.

Outside packaging should be inspected before signing the delivery note*. If there is no-one available to sign for delivery, arrangements will be made to re-deliver at an additional cost to the customer.

*If parcels are damaged or have been tampered with in any way they should not be signed for unless marked 'DAMAGED' or 'SHORT DELIVERED'.

No claim for damage in transit or shortage will be accepted if signed for 'RECEIVED IN GOOD CONDITION' or 'UNCHECKED' or 'NOT EXAMINED'.

Please note that, due to Health and Safety legislation, the driver is only allowed to deliver radiators to the nearest hard standing (pavement or driveway) and is not required to carry the radiators up any steps.

Where a radiator is too large or heavy for one man to handle safely, please ensure someone is available at the delivery address to assist the driver.

WITHIN 24 HOURS OF RECEIVING RADIATORS

Please unwrap and thoroughly inspect goods. Any visible fault or imperfection (or missing parts) must be reported to AEON within one working day (24 hours) of receipt to enable us to send a replacement, otherwise goods shall be deemed to be acceptable.

A content sheet will be enclosed in the box with the radiator to enable you to check that all parts are present.

In the unlikely event that your radiator is visibly faulty, please ensure that you retain all the original packaging. We cannot accept back any radiator on the grounds of visible damage or visible fault if it has been plumbed in.

PIPE CENTRES

We can provide information on the exact position of pipework for any of our radiators.

This means the pipework can be installed before you receive your radiators. Please call if you require these measurements.

GLOSSARY

BTU	The BTU (British Thermal Unit) is the standard measurement used to define the amount of heat output of any heating appliance.
WATTS	Is another measurement for heat output, 1-watt converts to 3.412 BTU per hour.
ΔT 50	Delta T or ΔT 50 represents the difference between two temperatures - e.g. between a radiator and a room. It is the current European testing standard.
HEAT LOSS	Is the measure of heat a room loses, which is consequently an important calculation when determining what sized radiator is required to heat a space to the correct level.
WARRANTY	Our commitment to quality is backed by a 20-year warranty for the stainless steel collection, a 10-year warranty for the aluminium collection and 12-months for the Fully Electric Ready collection. Further details available on request.
PRODUCT CODE	Is the unique identification code for all AEON products - this is used when ordering or inquiring about products.
RAL	A European wide colour matching system. Where this symbol is displayed, radiators are available in RAL colour chart options.
FINISH	The finish refers to the appearance of the stainless steel radiator. This finish is stated on the catalogue product page. The back surface of the "Polished Radiators" which are only mounted onto the wall is always Brushed Matt as the backside faces the wall except for Free Standing models.
TECHNICAL DRAWING	The technical drawing refers to the outlined illustration for each radiator size. The technical data illustrates how the radiator needs to be fitted including dimension, distance and bracket information. Please note, not all technical drawings for every radiator is in this catalogue. Please contact us for specific technical drawings.
EN 442	EN 442 is the European standard which defines the manufacturing standards for radiators and convectors which operate at temperatures of less than 120°C. The standard defines the type of steel which must be used, the type of pressure testing which must be carried out and the accuracy of the heat outputs quoted in all AEON literature.
ISO 9001	Is a set of International regulations related to quality management systems.
ISO 14001	Is a set of International regulations related to the environment.
FULLY ELECTRIC	Provided pre-filled with a heat transfer liquid and fitted with a compatible heating element.
E	Electric Only towel rail or radiator.
H	Hot Water only towel rail or radiator.
D	Dual Fuel; which is both electric in summer and central heating hot water in winter.
DELIVERY	Special Made To Order and bespoke items: These are hand-made with a lead time of 6-8 weeks. Stocked items are available with faster delivery.
PIPE CENTRE	Pipe centre measurements are incorporating pair of valve distance of 45mm each where applicable.

TERMS & CONDITIONS OF SALE

The Buyer's attention is in particular drawn to the provisions of condition 10.

1. Interpretation
- 1.1 The definitions and rules of interpretation in this condition apply in these conditions.
- 1.2 Buyer: the person, firm or company who purchases the Goods from the Seller.
- 1.3 Contract: any contract between the Seller and the Buyer for the sale and purchase of the Goods, incorporating these conditions.
- 1.4 Delivery Point: the place where delivery of the Goods is to take place under condition 4.
- 1.5 Goods: any goods agreed in the Contract to be supplied to the Buyer by the Seller (including any part or parts of them).
- 1.6 Seller: Pitcas Limited trading as Ultraheat, Aeon, or TIME, TIME Cables, TIME LED, TIME Cable Clips, TIME panel light, etc as well as trading as TIME (registered in England and Wales with company number 02505544).
- 1.7 Specification: any specification for the Goods, including any related plans and drawings, that is agreed by the Buyer and the Seller.
- 1.8 Words in the singular include the plural and in the plural include the singular.
- 1.9 A reference to one gender includes a reference to the other gender.
- 1.10 Condition headings do not affect the interpretation of these conditions.
- 1.11 A reference to a statute or statutory provision is a reference to such statute or provision as amended or re-enacted. A reference to a statute or statutory provision includes any subordinate legislation made under that statute or statutory provision, as amended or re-enacted.
- 1.12 Any phrase introduced by the terms including, include, in particular or similar expression shall be construed as illustrative and shall not limit the sense of the words preceding those terms.
- 1.13 A reference to writing or written includes faxes and e-mails.
2. Application of these conditions
- 2.1 Subject to any variation under condition 2.3 the Contract shall be on these conditions to the exclusion of all other terms and conditions (including any terms or conditions which the Buyer purports to apply under any purchase order, confirmation of order, Specification or other document) or which are implied by trade, custom or course of dealing.
- 2.2 No terms or conditions endorsed on, delivered with or contained in the Buyer's purchase order, confirmation of order, Specification or other document shall form part of the Contract simply as a result of such document being referred to in the Contract.
- 2.3 These conditions apply to all the Seller's sales and any variation to these conditions and any representations about the Goods shall have no effect unless expressly agreed in writing and signed by a director of the Seller. The Buyer acknowledges that it has not relied on any statement, promise or representation made or given by or on behalf of the Seller which is not set out in the Contract. Nothing in this condition shall exclude or limit the Seller's liability for fraudulent misrepresentation.
- 2.4 Each order or acceptance of a quotation for Goods by the Buyer from the Seller shall be deemed to be an offer by the Buyer to buy Goods subject to these conditions.
- 2.5 No order placed by the Buyer shall be deemed to be accepted by the Seller until a written acknowledgement of order is issued by the Seller or (if earlier) the Seller delivers the Goods to the Buyer.
- 2.6 The Buyer shall ensure that the terms of its order and any applicable Specification are complete and accurate.
- 2.7 Any quotation is given on the basis that no Contract shall come into existence until the Seller despatches an acknowledgement of order to the Buyer or (if earlier) the Seller delivers the Goods to the Buyer. Any quotation is valid for a period of 30 days only from its date, provided that the Seller has not previously withdrawn it.
3. Description
- 3.1 The quantity and description of the Goods shall be as set out in the Seller's quotation or acknowledgement of order.
- 3.2 All samples, drawings, descriptive matter, Specifications and advertising issued by the Seller and any descriptions or illustrations contained in the Seller's catalogues or brochures are issued or published for the sole purpose of giving an approximate idea of the Goods described in them. They shall not form part of the Contract and no sale is a sale by sample.
- 3.3 To the extent that the Goods are to be manufactured in accordance with a Specification supplied by the Buyer, the Buyer shall indemnify the Seller against all liabilities, costs, expenses, damages and losses (including any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal and other professional costs and expenses) suffered or incurred by the Seller in connection with any claim made against the Seller for actual or alleged infringement of a third party's intellectual property rights arising out of or in connection with the Seller's use of the Specification. This condition 3.3 shall survive termination of the Contract.
- 3.4 The Seller reserves the right to amend the Specification if required by any applicable statutory or regulatory requirements. If such amendments will materially change the nature or quality of the Goods, the Seller shall notify the Buyer who may then terminate the Contract.
4. Delivery
- 4.1 Unless otherwise agreed in writing by the Seller, delivery of the Goods shall take place at the Seller's place of business.
- 4.2 Delivery is completed on the completion of loading of the Goods at the Delivery Point.
- 4.3 The Buyer shall take delivery of the Goods within 10 days of the Seller giving notice that the Goods are ready for delivery.
- 4.4 Any dates specified by the Seller for delivery of the Goods are intended to be an estimate (and not of the essence) and time for delivery shall not be made of the essence by notice. If no dates are so specified, delivery shall be within a reasonable time.
- 4.5 Subject to the other provisions of these conditions, the Seller shall not be liable for any direct, indirect or consequential loss (all three of which they include, without limitation, mitigation, economic loss, loss of profits, loss of business, depletion of goodwill and similar losses), costs, damages, charges or expenses caused directly or indirectly by any delay in the delivery of the Goods (even if caused by the Seller's negligence), nor shall any delay entitle the Buyer to terminate or rescind the Contract, unless such delay exceeds 180 days.
- 4.6 If for any reason the Buyer fails to take or accept delivery of any of the Goods within 10 days of the Seller giving notice that the Goods are ready for delivery, or the Seller is unable to deliver the Goods on time because the Buyer has not provided appropriate instructions, documents, licences or authorisations:
- (a) risk in the Goods shall pass to the Buyer (including for loss or damage caused by the Seller's negligence);
- (b) the Goods shall be deemed to have been delivered at 9.00 am on the tenth day after the day on which the Seller notified the Buyer that the Goods were ready for delivery; and
- (c) the Seller may store the Goods until delivery, whereupon the Buyer shall be liable for all related costs and expenses (including, without limitation, storage and insurance) and
- (d) if 10 days after the day on which the Seller notified the Buyer that the Goods were ready for delivery the Buyer has not taken or accepted delivery of them, the Seller may, as an alternative or in addition to its rights under condition 4.6(c), resell or otherwise dispose of part or all of the Goods and, after deducting reasonable storage and selling costs, account to the Buyer for any excess over the price of the Goods or charge the Buyer for any shortfall below the price of the Goods.
- 4.7 The Buyer shall provide at the Delivery Point and at its expense adequate and appropriate equipment and manual labour for loading of the Goods. The Seller's delivery personnel shall not be required to: (a) deliver Goods to any place at the Delivery Point beyond the ground level hard surface nearest to the Seller's vehicle; nor
- (b) carry Goods up stairs.
- 4.8 The Seller may deliver the Goods by separate instalments. Each separate instalment shall be invoiced and paid for in accordance with the provisions of the Contract. Any delay in delivery or defect in an instalment shall not entitle the Buyer to cancel any other instalment.
- 4.10 Each instalment shall be a separate Contract and no cancellation or termination of any one Contract relating to an instalment shall entitle the Buyer to cancel any other Contract or instalment.
- 4.11 Unless the Buyer has ordered and paid for a special limited delivery at a time and place agreed by the Seller, the time of delivery shall be at any time on the date of delivery between 8am and 5pm.
- 4.12 The Buyer or its representative shall attend at the Delivery Point on the date and at the time of delivery and shall:
- (a) forthwith inspect the outside of all packages before signing the delivery note on which note the inspector shall record all and any damage or short delivery; and
- (b) within 24 hours of delivery:
- (i) unpack and thoroughly inspect the Goods received; and
- (ii) check the Goods received against the Goods ordered; and
- (iii) report forthwith to the Seller any visible faults or imperfections and any missing Goods or parts thereof; and
- (iv) retain the packaging and delivery documentation of any faulty or imperfect Goods for inspection by the Seller; and
- (v) not install, adapt, sell or dispose of (nor permit any other person to install, adapt, sell or dispose of) any Goods which the Buyer and/or the person inspecting the delivered Goods has found to be faulty, imperfect or incomplete.
5. Non-delivery
- 5.1 The quantity of any consignment of Goods as recorded by the Seller on despatch from the Seller's place of business shall be conclusive evidence of the quantity received by the Buyer on delivery unless the Buyer can provide conclusive evidence proving the contrary.
- 5.2 The Seller shall not be liable for any non-delivery of Goods (even if caused by the Seller's negligence) unless the Buyer gives written notice to the Seller of the non-delivery within 4 days of the date when the Goods would have been in the ordinary course of events have been received.
- 5.3 Any liability of the Seller for non-delivery of the Goods shall be limited to replacing the Goods within a reasonable time or issuing a credit note at the pro rata contract rate against any invoice raised for such Goods.
6. Risk/title
- 6.1 The Goods are at the risk of the Buyer from the time of delivery.
- 6.2 All Goods supplied by the Seller free of charge remain at all times the property of the Seller unless and until the Seller has agreed in writing to sell such Goods to the Buyer and has received payment in full in accordance with sub-condition 6.3 below. Samples supplied by the Seller free of charge may be used for display purposes only and shall be returned (at the Buyer's expense) to the Seller complete and in saleable condition within 3 months of delivery unless a longer period has been agreed in writing by the Seller.
- 6.3 Ownership of the Goods shall not pass to the Buyer until the Seller has received in full (in cash or cleared funds) all sums due to it in respect of:
- (a) the Goods; and
- (b) all other sums which are or which become due to the Seller from the Buyer on any account.
- 6.4 Until ownership of the Goods has passed to the Buyer, the Buyer shall:
- (a) hold the Goods on a fiduciary basis as the Seller's bailee;
- (b) store the Goods (at its cost to the Seller) separately from all other goods of the Buyer or any third party in such a way that they remain readily identifiable as the Seller's property;
- (c) not destroy, deface or obscure any identifying mark or packaging or on relating to the Goods;
- (d) maintain the Goods in satisfactory condition and keep them insured on the Seller's behalf for their full price against all risks to the reasonable satisfaction of the Seller from the date of delivery. On request the Buyer shall produce the policy of insurance to the Seller;
- (e) notify the Seller immediately if it becomes subject to any of the events listed in condition 6.6; and
- (f) give the Seller such information relating to the Goods as the Seller may require from time to time.
- 6.5 The Buyer may resell the Goods before ownership has passed to it solely on the following conditions:

- (a) any sale shall be effected in the ordinary course of the Buyer's business at full market value;
- (b) it does so as principal and not as the Seller's agent; and
- (c) ownership of the Goods shall pass from the Seller to the Buyer immediately before the time at which resell by the Buyer occurs.
- 6.6 The Buyer's right to possession of the Goods shall terminate immediately if:
- (a) the Buyer has a bankruptcy order made against him or makes an arrangement or composition with his creditors, or otherwise takes the benefit of any statutory provision for the time being in force for the relief of insolvent debtors; or being a body corporate convenes a meeting of creditors whether formal or informal; or enters into liquidation (whether voluntary or compulsory) except a solvent voluntary liquidation for the purpose only of reconstruction or amalgamation, or has a receiver and/or manager, administrator or administrative receiver appointed of it or its undertaking or any part thereof; or documents are filed with the court for the appointment of an administrator of the Buyer or notice of intention to appoint an administrator is given by the Buyer or its directors or by a qualifying floating charge holder (as defined in paragraph 14 of Schedule B1 to the Insolvency Act 1986), or a resolution is passed or a petition presented to any court for the winding-up of the Buyer or for the granting of an administration order in respect of the Buyer, or any proceedings are commenced relating to the insolvency or possible insolvency of the Buyer; or
- (b) the Buyer suffers or allows any execution, whether legal or equitable, to be levied on his/its property or obtained against him/it, or fails to execute or perform any of his/its obligations under the Contract or any other contract between the Seller and the Buyer, or is unable to pay its debts within the meaning of section 123 of the Insolvency Act 1986 or the Buyer ceases to trade; or
- (c) the Buyer encumbers or in any way charges any of the Goods.
- 6.7 If before ownership of the Goods passes to the Buyer the Buyer becomes subject to any of the events listed in condition 6.6, then, without limiting any other right or remedy the Seller may have:
- (a) the Buyer's right to resell the Goods or use them in the ordinary course of its business ceases immediately; and
- (b) the Seller may at any time:
- (i) require the Buyer to deliver up all Goods in its possession that have not been resold, or irrevocably incorporated into another product; and
- (ii) if the Buyer fails to do so promptly, enter any premises of the Buyer or of any third party where the Goods are stored in order to recover them.
- 6.8 The Seller shall be entitled to recover payment for the Goods notwithstanding that ownership of the Goods has passed to the Buyer.
- 6.9 The Buyer grants the Seller, its agents and employees an irrevocable licence at any time to enter any premises where the Goods are or may be stored in order to inspect them, or, where the Buyer's right to possession has terminated, to recover them.
- 6.10 Where the Seller is unable to determine whether any Goods are the goods in respect of which the Buyer's right to possession has terminated, the Buyer shall be deemed to have sold all goods of the kind sold by the Seller to the Buyer in the order in which they were invoiced to the Buyer.
- 6.11 On termination of the Contract, however caused, the Seller's (but not the Buyer's) rights contained in this condition 6 shall remain in effect.
7. Price
- 7.1 Unless otherwise agreed by the Seller in writing, the price for the Goods shall be the price set out in the Seller's price list published on the date of delivery or deemed delivery.
- 7.2 The price for the Goods shall be:
- (a) exclusive of any value added tax (VAT), which the Buyer shall additionally be liable to pay to the Seller at the prevailing rate, subject to the receipt of a valid VAT invoice; and
- (b) exclusive of all costs or charges in relation to packaging, loading, unloading, carriage and insurance, all of which the Seller shall pay in addition when it is due to pay for the Goods provided that in respect of Goods delivered within Great Britain the price of Goods shall include:
- (i) packaging, loading, unloading, and an element of insurance cover (for details of which cover please contact the Seller); and
- (ii) (for each order that is confirmed by the Seller to exceed its minimum order quantity in respect of that product type and delivery destination) the cost of carriage.
- 7.3 The Seller may, by giving notice to the Buyer at any time before delivery, increase the price of the Goods to reflect any increase in the cost of the Goods that is due to the Buyer.
- (a) any request; or
- (b) any delay caused by any instructions of the Buyer or failure of the Buyer to give the Seller adequate or accurate information or instructions.
8. Payment
- 8.1 Unless otherwise agreed, the Buyer shall pay in full the price for the Goods in pounds sterling (GBP) or other currency as indicated on the invoice or proforma at the time of placing its order with the Seller. Any payment deferred, credit, return or prompt payment discount terms granted to the Buyer by the Seller may be changed or cancelled at any time.
- 8.2 Subject to condition 8.4, payment of the full balance of the price for the Goods is due in pounds sterling on the due date as stated on the invoice.
- 8.3 Time for payment shall be of the essence.
- 8.4 No payment shall be deemed to have been received until the Seller has received cleared funds.
- 8.5 All payments payable to the Seller under the Contract shall become due immediately on its termination, however caused, despite any other provision.
- 8.6 The Buyer shall make all payments due under the Contract in full without any deduction whether by way of set-off, counterclaim, discount, abatement or otherwise unless the Buyer has a valid court order requiring an amount equal to such deduction to be paid by the Seller to the Buyer. The Seller may at any time, without limiting its other rights or remedies, if it is not fully paid, set-off any amount owing to it by the Buyer against any amount payable by the Seller to the Buyer.
- 8.7 If the Buyer fails to pay the Seller any sum due pursuant to the Contract, the Buyer shall be liable to pay interest to the Seller on such sum from the due date for payment at the annual rate of 4% above the base lending rate from time to time of Barclays Bank, accruing on a daily basis until payment is made, whether before or after any judgment. The Buyer shall pay the interest together with the overdue amount. The Seller reserves the right to elect to claim interest and late payment compensation under the Late Payment of Commercial Debts (Interest) Act 1998.
- 8.8 Should the Seller be required to enforce the terms of the Contract against the Buyer (including, without limitation, to recover the price of the Goods) then the Buyer will indemnify the Seller against all costs and expenses (including legal costs and legal costs and expenses on a full indemnity basis) suffered or incurred by the Seller arising out of or in connection with the Seller enforcing the terms of the Contract.
9. Quality
- 9.1 Where the Seller is not the manufacturer of the Goods, the Seller shall endeavour to transfer to the Buyer the benefit of any warranty or guarantee given to the Seller.
- 9.2 The Seller warrants that (subject to the other provisions of these conditions):
- (a) on delivery, and for a period of 12 months from the date of delivery (Warranty Period), the Goods shall: i) conform in all material respects with their description and any applicable Specification; ii) be free from material defects in design, material and workmanship; iii) be of satisfactory quality within the meaning of the Sale of Goods Act 1979; and
- (b) be reasonably fit for any particular purpose for which the Goods are being bought if the Buyer had made known that purpose to the Seller in writing and the Seller has confirmed in writing that it is reasonable for the Buyer to rely on the skill and judgement of the Seller; and
- (c) delivery, the products shall be free from material defects resulting from faulty manufacture or workmanship; for the following periods:
- (i) Electrical only or dual fuel radiators and towel rails: 12 months
- (ii) LED lamps, fittings and associated accessories: 1, 2, 3 or 5 years, as stated in the literature provided with the product at the point of sale.
- (iii) LED Light Panels: 1 or 5 years, as stated in the literature provided with the product at the point of sale.
- (iv) Water Treatment Products: Magnetic Filter and Electrolytic Scale Reducer: 2 Years
- (v) on delivery, and for a period of 5 years from the date of delivery, Ultraheat Premier Range, (excluding Goods falling within the foregoing condition 9.2(b)) shall be free from material defects resulting from faulty manufacture or workmanship; and
- (vi) on delivery, and for a period of 10 years from the date of delivery, Ultraheat Compact 4, and Ultraheat Premier Aluminium radiators, (excluding Goods falling within the foregoing conditions 9.2(b) or (c)) shall be free from material defects resulting from faulty manufacture or workmanship; and
- (vii) on delivery, and for a period of 20 years from the date of delivery, conditional warranty on Aeon Stainless steel products (excluding Goods falling within the foregoing conditions 9.2(b), (c), (d) or (e)) shall be free from leakage resulting from material defects due to faulty manufacture or workmanship. (Conditional means we would need to be informed if the system is an open system that is fed by mains water or direct hot water cylinder).
- (viii) on delivery, and for a period of 10 years from the date of delivery, conditional warranty on Aeon Aluminium products (excluding Goods falling within the foregoing conditions 9.2(b), (c), (d) or (e)) shall be free from leakage resulting from material defects due to faulty manufacture or workmanship. (Conditional means we would need to be informed if the system is an open system that is fed by mains water or direct hot water cylinder).
- 9.3 The Seller shall not be liable for a breach of any of the warranties in condition 9.2 unless:
- (a) the Buyer has complied with its obligations under these terms and conditions, in particular (without limitation) the Buyer's obligations pursuant to condition 4.12 above to inspect all Goods upon and immediately following delivery and notify the Seller promptly and in full of faulty, imperfect or incomplete Goods; and
- (b) the Buyer gives written notice of the defect to the Seller during the applicable warranty period set out in condition 9.2 within a reasonable time of discovery that some or all of the Goods do not comply with the warranties in condition 9.2, if the defect is as a result of damage in transit to the carrier, within 3 days of the time when the Buyer discovers or ought to have discovered the defect; and
- (c) the Seller is given a reasonable opportunity after receiving the notice of examining such Goods and the Buyer (if asked to do so by the Seller) returns such Goods to the Seller's place of business at the Seller's cost for the examination to take place there.
- 9.4 The Seller shall not be liable for a breach of any of the warranties in condition 9.2 if:
- (a) the Buyer makes any further use of such Goods after giving such notice; or
- (b) the defect arises because the Buyer failed to follow the Seller's oral or written instructions as to the storage, installation, commissioning, use or maintenance of the Goods or (if there are none) good trade practice; or
- (c) the serial numbers on the Goods have been removed, erased, concealed or for any other reason are unavailable; or
- (d) the defect in question arises in whole or in part from reasonable wear and tear, wilful damage, negligence or abnormal storage or working conditions; or
- (e) the Goods have not been installed with reasonable competence and in accordance with the best industry standards in the UK for professional installation of heating and plumbing goods; or
- (f) the Buyer alters or repairs such Goods without the written consent of the Seller; or
- (g) the defect arises as a result of the Seller following any drawing, design or Specification supplied by the Buyer; or
- (h) the Goods differ from their description or the Specification as a result of changes made to ensure they comply with applicable statutory or regulatory requirements.
- 9.5 Subject to condition 9.3 and condition 9.4, if any of the Goods do not conform with either of the warranties in condition 9.2 the Seller shall at its option repair or replace such Goods (or the defective part) or refund the price of such Goods at the pro rata contract rate provided that, if the Seller so requests, the Buyer shall:
- (a) return the Goods to the Seller's expense, return the Goods or the part of such Goods which is defective to the Seller.
- 9.6 If the Seller complies with condition 9.5 it shall have no further liability for a breach of any of the warranties in condition 9.2 in respect of such Goods.
- 9.7 Any Goods replaced shall belong to the Seller and any repaired or replacement Goods shall be guaranteed

- 9.8 on these terms for the unexpired portion of the applicable warranty period set out in condition 9.2.
- 9.9 The terms implied by sections 13 to 15 of the Sale of Goods Act 1979 are, to the fullest extent permitted by law, excluded from the Contract.
- 9.10 These conditions shall apply to any repaired or replacement Goods supplied by the Seller.
10. Limitation of liability
- 10.1 Subject to condition 4, condition 5 and condition 9, the following provisions set out the entire financial liability of the Seller (including any liability for the acts or omissions of its employees, agents and sub-contractors) to the Buyer in respect of:
- (a) any breach of these conditions;
- (b) any use made or resale by the Buyer of any of the Goods, or of any product incorporating any of the Goods, or of any part of any such product;
- (c) any representation, statement or tortious act or omission including negligence arising under or in connection with the Contract.
- 10.2 All warranties, conditions and other terms implied by statute or common law (save for the conditions implied by section 12 of the Sale of Goods Act 1979) are, to the fullest extent permitted by law, excluded from the Contract.
- 10.3 Nothing in these conditions excludes or limits the liability of the Seller:
- (a) for death or personal injury caused by the Seller's negligence, or the negligence of its employees, agents or sub-contractors; or
- (b) under section 2(3) of the Consumer Protection Act 1987; or
- (c) for any matter which it would be illegal for the Seller to exclude or attempt to exclude its liability, or for fraud or fraudulent misrepresentation.
- 10.4 Subject to condition 10.2 and condition 10.3:
- (a) the Seller's total liability in contract, tort (including negligence or breach of statutory duty), misrepresentation, restitution or otherwise, arising in connection with the performance or contemplated performance of the Contract shall be limited to the Contract price; and
- (b) the Seller shall not be liable to the Buyer for indirect or consequential loss of profit or loss of business which arise out of or in connection with the Contract, whether in contract, tort (including negligence), breach of statutory duty, or otherwise.
- 10.5 The Buyer acknowledges and agrees that it is a business customer by virtue of the Goods being received by it for business purposes.
- 10.6 The Buyer acknowledges and agrees that:
- (a) it has read and fully understood the limitations and exclusions of the obligations and liabilities of the Seller in these conditions;
- (b) it has freely agreed to them;
- (c) they are reasonable and formed the basis for setting the price of the Goods;
- (d) it freely accepts the risks associated with them; and
- (e) it is able to insure itself against all or some of those risks should it so desire.
11. Assignment
- 11.1 The Seller may at any time assign, transfer, mortgage, charge, sub-contract, declare a trust over or deal in any other manner with any or all of its rights or obligations under the Contract or any part of it by any person, firm or company.
- 11.2 The Seller shall not be entitled to assign, transfer, mortgage, charge, sub-contract, declare a trust over or otherwise deal in any other manner with any or all of its rights or obligations under the Contract or any part of it without the prior written consent of the Seller.
12. Termination
- 12.1 Without limiting its other rights or remedies, the Seller may terminate the Contract with immediate effect by giving written notice to the Buyer if:
- (a) the Buyer commits a material breach of any term of the Contract and (if such breach is remediable) fails to remedy that breach within 14 days of the Buyer being notified in writing to do so;
- (b) the Buyer takes any step or action in connection with those events set out in condition 6.6;
- (c) the Buyer suspends, threatens to suspend, ceases or threatens to cease to carry on all or a substantial part of its business; or
- (d) the Buyer's financial position deteriorates to such an extent that in the Seller's opinion the Buyer's capability to adequately fulfil its obligations under the Contract has been placed in jeopardy.
- 12.2 Without limiting its other rights or remedies, the Seller may terminate the Contract with immediate effect by giving written notice to the Buyer if the Buyer fails to pay any amount due under the Contract on the due date for payment.
- 12.3 Termination of the Contract shall not affect any of the parties' rights and remedies that have accrued as at termination, including the right to claim damages in respect of any breach of this Contract that existed at or before the date of termination.
- 12.4 Any provisions that survive expressly or by implication is intended to come into or continuation in force on or after termination shall remain in full force and effect.
13. Force majeure
- 13.1 The Seller reserves the right to defer the date of delivery or to cancel the Contract or to reduce the volume of the Goods ordered by the Buyer (without liability to the Buyer) if it is prevented from or delayed in the carrying on of its business due to circumstances beyond the reasonable control of the Seller including, without limitation, acts of God, governmental actions, war or national emergency, acts of terrorism, protests, riot, civil commotion, fire, explosion, flood, epidemic, lock-outs, strikes or other labour disputes (whether or not relating to either party's workforce), or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials, provided that, if the event in question continues for a continuous period in excess of 90 days, the Buyer shall be entitled to give notice in writing to the Seller to terminate the Contract.
14. Entire agreement
- 14.1 The Contract constitutes the entire agreement between the parties and supersedes and extinguishes all previous agreements, promises, assurances, warranties, representations and understandings between them, whether written or oral, relating to its subject matter.
15. General
- 15.1 Each right or remedy of the Seller under the Contract is without prejudice to any other right or remedy of the Seller whether under the Contract or not.
- 15.2 If any provision or part-provision of the Contract is found by any court, tribunal or administrative body of competent jurisdiction to be wholly or partly illegal, invalid, void, voidable, unenforceable or unreasonable it shall to the extent of such illegality, invalidity, voidness, voidability, unenforceability or unreasonableness be deemed severable and the remaining provisions of the Contract and the remainder of such provision shall continue in full force and effect. In such circumstances, the parties shall negotiate in good faith to amend such provision or part-provision so that, as amended, it is legal, valid and enforceable and, to the greatest extent possible, achieves the intended commercial result of the original provision or part-provision.
- 15.3 Failure or breach by the Seller in enforcing or partially enforcing any provision of the Contract shall not be construed as a waiver of any of its rights under the Contract, nor shall it prevent or restrict the further exercise of that or any other right or remedy.
- 15.4 Any waiver by the Seller of any breach of, or any default under, any provision of the Contract by the Buyer shall not be deemed a waiver of any subsequent breach or default and shall in no way affect the other terms of the Contract.
- 15.5 The parties to the Contract do not intend that any term of the Contract shall be enforceable by virtue of the Contracts (Rights of Third Parties) Act 1999 by any person that is not a party to it.
- 15.6 The formation, existence, construction, performance, validity and all aspects of the Contract shall be governed by English law and the parties submit to the exclusive jurisdiction of the English courts in relation to the settlement of any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with the Contract.
16. Communications
- 16.1 All communications between the parties about the Contract shall be in writing and delivered by hand or sent by pre-paid first class post or sent by fax or e-mail:
- (a) (in case of communications to the Seller) to its registered office or such changed address as shall be notified to the Buyer by the Seller; or
- (b) (in the case of the communications to the Buyer) to the registered office of the addressee (if it is a company) or (in any other case) to any address of the Buyer set out in any document which forms part of the Contract; and the sender's attention shall be drawn to the fact that the Seller's registered office is at the Seller's place of business.
- 16.2 Communications shall be deemed to have been received:
- (a) if sent by pre-paid first class post, two days (excluding Saturdays, Sundays and bank public holidays) after posting (exclusive of the day of posting); or
- (b) if delivered by hand, on the day of delivery; or
- (c) if sent by fax or e-mail on a working day prior to 4.00 pm, at the time of transmission and otherwise on the next working day.
- 16.3 In relation to the services, the Customer:
- (a) agrees that Pitcas may from time to time monitor or record calls made to Pitcas or by Pitcas to improve customer service, and for training and marketing purposes.
- Terms and conditions are available as a PDF file upon request. Alternatively, they can be downloaded from our website.
